Title : Need to provide stoppage of Howrah-Bhubaneshwar Dhauli Express at Contai Road Station under Kharagpur Division of South Eastern Railways.

SHRI RUPCHAND MURMU (JHARGRAM): Sir, there is a long standing demand of the people of Belda, Narayangarh, Khakurda, Keshiary and Dantan for providing stoppage of 2821 and 2822 Howrah-Bhubaneshwar Dhauli Express at Contai Road Station under Karagpur Division of South-Eastern Railway. Contai Road Station popularly known as Belda is the gateway of Orissa. It is mostly a business centre of Paschim Medinipur district. Each and every day, hundreds of people go to Cuttack and Bhubaneshwar from these places. Many of them are patients. There is no other express train towards Cuttack and Bhubaneshwar from Kharagpur and Howrah in the morning except Dhauli Express. So, I urge upon the Minister of Railways to consider the demand in the greater interest of these people.
